The exhibit, curated by Susan White, features work by 10 artists based on the theme "animals and their inner worlds." One display features several dozen chocolate bunnies in various states of disarray, and another ("Accord Group/'KYOTO,' 2008," pictured) features a gigantic gas mask made for an elephant.

Weekends through Aug. 2, The Oxbow Gallery, 275 Pleasant St., Northampton, (413) 586-6300, www.oxbowgallery.com.
